

To all Families, Students, Alumni and Friends of St. Thomas Aquinas Regional High School,

It is with mixed emotions that the Regional Education Committee announce the retirement from teaching and the position of Vice Principal of Mr. Chris Campbell, or more lovingly known as Mr. C.

After 41 years at STA, 8 years as a full-time teacher, 31 years as a Vice Principal and 2 years as Principal, Mr. C has decided to take some ALOHA time. All is not lost, Mr. C will be staying on part time at STA as an academic advisor and a teacher's mentor.

At the same time, we are happy to announce the hiring of Mr. Joseph Galat as the new Vice Principal. Many of you will know Mr. Galat as a teacher at STA for the past 24 years, where in addition to teaching he has held the positions of Academic Counsellor and Department Head.

Mr. Galat holds a Bachelor of Art in Geography, Bachelor of Education and a Master's degree of Education Technology.
